## FINANCIAL MESSAGE

Dear Special Brethren,

Greetings in Jesus Name! This circular is meant to address the wonderful spread of Full Salvation in the various ministries that are now in contact with F.S.F. Sydney, Australia, and the financial problems. As well as the good news we are concerned with the financial aims and commitments that some ministries have made, going into debt by faith. Problems can arise when leaders move ahead too fast, going ahead of God's time-table. It is easy to do when the Spirit is doing other miracles.

Churches should only go into debt when they have 2 or 3 independent witnesses confirming such a move (Deut. 19:15, 2 Cor. 13:1). We know of a church which wanted to buy a building for \$400,000 back in 1975 (Today it would be valued at millions). The flock raised a deposit of \$50,000 dollars but no further funds came in so when the time came to pay the balance, it failed – and the \$50,000 was lost, causing much grief and sorrow.

Leaders need a very clear word from the Lord before going into big debt. If they cannot raise the necessary funds by the due date – will they have their payments (already made) returned to them? Can they trust businessmen who practice a different faith? Jeremiah 17:5-7 warns us to make sure any agreement we have made is very clear and protects the ministry. F.S.F. Sydney owns no property. We hire (rent) a hall one day a week so we have no property problems at all – praise the Lord! – and a friendly Baptist church lets us use their building in mid-week!

We are a small group, 30-35 Christians, mostly elderly and on a government pension. Our riches are the truths which the Holy Spirit has taught us over many years, and the special saints like you who are receiving and experiencing the Full Salvation truths and passing them onto as many strugglers as you can. You are our riches.

The conclusion is that we cannot provide the financial support that many are requesting and expecting but we hope to continue providing truth through books and audio tapes. Please let us know if you have an audio tape player and we will try to get some tapes to you.

Meanwhile we hope you have other sources of help for your financial needs. We are here for a little longer – praise the Lord.

Peter & Verlie  
Directors, F.S.F.
