Out of the hundreds and hundreds of deliverance situations dealt with by the Lord Jesus and His disciples, why are only a few of these occasions chosen by the Holy Spirit to be specifically recorded in detail?

- (i) *Because each incident is loaded with important teaching detail for future ministry to sufferers.*
- (ii) *Because these demons are COMMON throughout mankind! We do not contend with blood and flesh but with the unclean spiritual world (Eph. 6:12).*

Several listed above may also be added to the battlefield of the MIND.
